SERTEENS TEENS IN SERVICE TO MANKIND

AN OPPORTUNITY TO SERVE

FRIENDSHIP AND FELLOWSHIP
AS OPPORTUNITIES FOR SERVICE

SERTEENS MAKE THINGS.... HAPPEN!

WHO ARE SERTEENS?

- Teens who make great things happen!
- Teens interested in what's going on in the world and who are motivated to improve their world through Service to Mankind.
- Serteen Clubs are school and/or community based.

FOR SERTEENS

- Personal development and leadership skills are important to Serteens. Many clubs attend college fairs and invite guest speakers to their meetings. Serteen activities promote effective self-development.

WHO ORGANIZES SERTEEN CLUBS?

- Serteen groups are organized by Sertoma Clubs. Sertoma is a civic service organization for men and women whose primary focus is speech and hearing. Each Sertoma group has an advisor who is a representative of the sponsoring Sertoma Club.

FOR SCHOOL & COMMUNITY

- Serteens initiate projects to help their school, like holding a drug education fair, organizing a teach appreciation day, or buying needed equipment for the school.
- Serteens perform community service projects like adopting a stretch of highway for litter pickup, providing Christmas gifts for a needy family, volunteering at a local senior citizens center, or working with Special Olympics. Serteen may also choose to join with local Sertoma Clubs in service projects. No matter what they choose to do, Serteens are serious about service!

FOR FUN

- Serteens love planning fun social activities and building friendships through Service to Mankind. Serteens are involved in a variety of service projects and fund-raisers and they have FUN doing them!

WHO RUNS A SERTEEN CLUBS?

- The Serteen members! Members decide what needs are most important in their schools or communities. They elect their own leaders, raise their own money, choose their own service projects and plan their own activities.
