FOR IMMEDIATE RELEASE

LOCAL SERTOMA CLUB DONATES HEARING LOOP TO LOCAL HOSPITAL

Carlisle, PA MAY 2021– In recognition of Better Speech and Hearing Month in May, Sertoma, Inc. has invited clubs across the country to raise money to purchase one or more Portable InfoLoops to donate to a local hospital or one of the hospital’s associated clinics. A Portable InfoLoop system amplifies sound in a certain area for people who use hearing aids. The clubs will donate them May 2021 during Better Hearing and Speech Month.

Forty-two Sertoma clubs from all over the country are donating over 120 Portable InfoLoops to bring awareness for people who are hard of hearing (HoH) and rely on devices like these to assist in communication interactions.

The Carlisle Area Sertoma club purchased a Portable InfoLoop, and it will be donated to UPMC Carlisle on May 17, 2021 at 9:30 a.m. UPMC Carlisle will be able to use this device to assist those with hearing aids at the registration desks as well as being able to take it along for rounds so that patients with hearing aids will be able to hear instructions more clearly.

The volunteers in the club raised funds through their Crab Cake Sales and their annual charity Golf tournament held in August. “We’re a fun group of individuals who love to give back and help our community!” stated Club President Roger Spitz.
