**WARNING: If you are younger than 18, do not use this.**

You should talk to a doctor, preferably an ear-nose-throat doctor (an ENT), because your condition needs specialized care. Over-the-counter hearing aids are only for users who are 18 or older.

Some people with hearing loss may need help from a hearing healthcare professional. How do you know if you need to see one? See product packaging for details

**WARNING: When to See a Doctor** - See product packaging for details
